Please indicate your child's enrollment:

Weekly:  Full Time  Daily Circle days (3 max) Mon Tues Wed Thu Fri

**Enrollment Agreement:** For safety reasons, we must know, in advance, which children are expected to attend on any given day. Daily fees are paid at the end of the week once services are rendered.

If there is any change in my request for days, I will notify the site coordinator. I understand that no refunds will be given for absences due to illness or vacation. I also understand that I have the option to register for Early Release/Full Days. In the event that there are not enough pre-registered children for the Early Release/Full Day programs, the site's Afterschool program will either be cancelled or combined with other programs in the local Community. \_\_\_\_\_ Initial

To qualify, the parent/guardian must submit an application to the site coordinator. Approval is based on ABC Determination Table guidelines. Contact your Afterschool Program Site Coordinator for an application.

Fees are billed weekly and must be kept current. We track attendance for safety reasons, but no financial adjustment will be given for days missed or early departure.

## 7. HOMEWORK AGREEMENT

Expectations for completing homework assignments while at the program vary from parent to parent. This agreement is between you and your child, and indicates if you want your child to do homework while in our care. The role of the Afterschool Program Staff is to enforce the agreement that you and your child have made. Once your child completes the amount of homework indicated, your child will be free to participate in the other activities offered by the program. Please indicate which agreement you and your child have made:

My child will do homework for 30-45 minutes each day, Mon – Thurs.  My child will not do homework while at the program.

## 8. NUTRITION

Good nutrition is vital to children's overall development and well-being. In an effort to provide the best possible nutritional environment for children in our program and encourage the development of good eating habits, the Afterschool Program has developed the following nutrition policy.

We will:

- follow the child care nutrition guidelines recommended by the USDA and CACFP (Child and Adult Care Food Program)
- follow CCSD Nutrition Standards, which meet federal standards
- limit sweet food items to two (2) times per week (or less)
- not use food as a reward or punishment
- not serve sugar-sweetened beverages

## 9. PHYSICAL ACTIVITY

The Afterschool Program recognizes the importance of physical activity for young children. All staff will adhere to the policies below to ensure all students are supported and encouraged to engage in a variety of age-appropriate active play.

- Counselors will encourage children to be physically active indoors and outdoors at appropriate times in an appropriate manner.
- Staff will interact and engage with the children during all play to promote safety, good decision-making and active play.
- Counselors will facilitate indoor/outdoor learning centers which promote physical activity, healthy lifestyles, safety, cooperation and healthy social interactions.
- Staff will never use physical activity or exercise as punishment, e.g. doing push-ups or running laps
- Staff will provide a minimum total of 20 minutes of planned physical activities daily for children 3 years and older.
- Half Day Program (4 hours or less) will have outdoor play for preschool and school age children for a minimum range of 30-45 minutes.
- The program's schedule includes daily, active outdoor play for all children and provides a variety of indoor/outdoor play material to promote physical activity. If outdoor time is decreased due to inclement weather, indoor activity time will be increased to assure the total amount of physical activity remains the same.
- The program encourages and informs parents about their roles in dressing each child in clothing/shoes appropriate for active participation in physical activity and play.
- Caregivers are informed of their role in encouraging children to be physically active indoors and outdoors at appropriate times and in appropriate ways.

**10. FIELD TRIPS AND SWIMMING ACTIVITIES**

Field trips are part of the full day and summer programs and follow CCSD approved Afterschool Field Trip policies. Children are expected to go on all scheduled field trips. Standard staff-to-child rations are 1:12 for grades K-1 and 1:15 for grades 2-6. These ratios are within guidelines issued by the South Carolina Department of Social Services. The ratios will be adjusted as needed for specific activities.

Transportation for field trips is provided by contracted CCSD bus services, Community Education buses, and/or activity buses. Children are not transported in personal vehicles.

All swimming activities are monitored by life guards provided by the field trip location. If a field trip involves swimming, I give my child permission to participate in swimming activities and (check one) do \_\_\_\_\_ / do NOT \_\_\_\_\_ require my child to wear a life vest in the pool.

**11. INCLEMENT WEATHER**

The Afterschool Programs operate in accordance with CCSD policies regarding early school closing in the event of emergency weather conditions. If school opening is delayed, morning programs are cancelled.

**12. PARENT / GUARDIAN CONSENT FOR PHOTOGRAPHY AND PG MOVIES**

I do give my consent /  I do NOT give my consent to the CCSD Afterschool Program to photograph my child and to use pictures and/or stories in connection with any of their work without consideration of compensation of any kind, and I do release Charleston County School District from any claims whatsoever which may arise in said regards. \_\_\_\_\_ Initial

**14. DISCIPLINE**

The staff of the Afterschool Programs is expected to respect the dignity of the children and conduct themselves as adult role models. The program does not use any strategy that hurts, shames, or belittles a child. The program does not use any strategy that threatens, intimidates, or forces a child.

Physical contact in disciplining a child is avoided unless it is necessary to restrain a child from harming himself or another.

Corporal punishment is not allowed. The program does not permit the use of food as a reward or punishment. The program does not use or withhold physical activity as a means of punishment.

When correcting a child's behavior, the staff verbalizes and demonstrates to the child what should be said or done rather than focusing on the unwanted behavior. The staff also explains the reasons for the rules children are asked to follow. School rules are in effect during the Afterschool programs. The children are expected to respect the staff and each other.

If the staff is unable to resolve on-going or serious behavior issues (such as aggressive, abusive, disturbing, or destructive acts), the site coordinator will discuss the problem with the parents to establish a plan for dealing with the problem. If the child's behavior does not change in a reasonable length of time, the site coordinator will inform the parents and will schedule a conference. If the problem cannot be resolved, the site coordinator will give the parents a notice of dismissal from the program.

I have read and choose to comply with the contents of the policies of the Afterschool Program, including those pertaining to emergency transportation and medical treatment, inclement weather, field trips, swimming and discipline.
